

TOTAL CLEAN BIO

DESCRIPTION

READILY BIODEGRADABLE wet wipe cleaning product that is part of the VEIDEC GREEN WORLD product series.

Cleanses and cares for hands without water, soap, towel, or hand cream. Contains glycerine, Aloe Vera, Jojoba, and vitamin E. NSF-registered (C1).

PROPERTIES

- Excellent to remove oil, tar, ink, paint and other hard to remove contaminations.
- Effective on hands as well as most nonporous surfaces such as tools, equipment, and other objects.
- Solvent free and safe, containing skin care agents preventing dry skin.
- A great timesaver and very economical.
- Perfume free with a pleasant scent.
- The wipes are absorbent and special textured for deep cleaning.
- Delivered in a practical and patented container that prevents unused wipes from drying.
- The OEKO-TEX certified wipes are 100% free from plastics.
- An excellent complement to traditional hand cleaning systems.
- A VEIDEC product is to be considered "Readily Biodegradable" when at least 99% of its constituent substances has the natural ability to fully biodegrade in a set timeframe, tested in accordance with set standards. The organic content of Total Clean Bio is 100% Readily Biodegradable. The wipes are biodegradable (EN 14046) and compostable (EN 14045).

FIELD OF APPLICATION

- Although the range of possible use is unquantifiable, its area of speciality includes hands, tools, and other surfaces.
- Removal of grease, paints, tar, oils, lubricants, inks etc.

USER INSTRUCTIONS

Use on dirty hands, equipment, surfaces etc.

Please note: When used on surfaces of glass and Plexiglas. Possible staining and traces of Aloe Vera and Jojoba must be considered.
