

TOTAL CLEAN

DESCRIPTION

The practical combination of hand cleanser and towel eliminates the need for water and towels. Cleanses and cares for hands without water, soap, hand creams or towels. Apart from cleansing it cares for hands with glycerine, Aloe Vera, Jojoba and vitamin E. NSF-registered (C1).

PROPERTIES

- Excellent to remove oil, tar, ink, paint and many other materials that is hard to remove.
- In addition, it removes spillage, drops and splashes from most nonporous surfaces such as tools, equipment and other objects.
- Cleanses hands, tools and equipment quickly and efficiently.
- Solvent free and environmentally safe.
- A great timesaver and extremely economical.
- Safe, contains softening agents that prevent cracking, chafing and drying out.
- Feels refreshing and pleasant on your hands and has a pleasing scent.
- The towels are high absorbent polypropylene and special textured for deep cleaning.
- Delivered in a practical and patented box that stops unused towels from drying.
- An excellent complement to traditional hand cleansing systems.
- Total Clean Zip refill: 8 pcs of Total Clean rolls individually packed into a tight and resealable zip bag. To be used in existing Total Clean cans or as a stand alone product. Provides less environmental impact with fewer discarded cans.

FIELD OF APPLICATION

- Although the range of possible use is unquantifiable, its area of speciality includes hands, tools, and other surfaces.
- Removal of grease, paints, tar, oils, lubricants, inks etc.

USER INSTRUCTIONS

Use on dirty hands, equipment, surfaces etc.

Please note: When used on surfaces of glass and Plexiglas. Possible staining and traces of Aloe Vera and Jojoba has to be considered.
